Dear Sir/Madam;

**Fresh Ginger delivered anywhere in the US in few days!**

Mayan Fresh Farms is **THE BIGGEST** Ginger Grower and Packer, specializing in growing and distributing fresh premium **USDA Certified Organic** and conventional ginger from Mexico. We are **Global G.A.P** safety certified (GGN 4063061527264), committed to providing the safest products in the market.

**We offer significant competitive and cost advantages as we have full control of production line and we have favorable geographical location to import into USA. We are uniquely positioned to deliver our fresh ginger within a few days from our farms in Mexico to any location in USA and Canada.**

We provide top quality ginger, timely deliveries, top grade services and comprehensive solutions for our valued customers. We are a trusted ginger provider to major ginger wholesalers in USA and Canada for many years. If you have any ginger requirements please consider sending us your enquiry, we will quote our best offer.

Mayan Fresh Farms looks forward to associating with your organization in an ongoing relationship.

Thanking and assuring you the best quality and service,

Sincerely,

Kanwal Mangat
